RE: Proposal Authorization for the 2014 Water-Energy Grant Program

Dear Ms. Peters,

On January 6, 2015, the City Council of the City of East Palo Alto will vote on a resolution authorizing an application be made to the California Department of Water Resources to obtain a 2014 Water-Energy Grant pursuant to Senate Bill No. 103 Section 11 (2013-2014 Regular Session), and to enter into an agreement to receive a grant for the Pipeline Replacement Project.

The City of East Palo Alto authorizes Maziar Bozorginia, Senior Engineer, to prepare the necessary data, conduct investigations and file such application. The Council Resolution will further authorize Carlos Martinez, Interim City Manager, to execute a grant agreement and any amendments thereto, with California Department of Water Resources.

If you have any questions, contact me at 650-853-3189 or kfallaha@cityofepa.org. We will transmit a copy of the resolution to the Department of Water Resources immediately following the Council Meeting.

Sincerely,

Kamal Fallaha, PE
City Engineer
